American Idol Category: Aerosmith News / Tag: Aerosmith, American Idol / Add Comment Steven Tyler's presence since American Idol premiere gave Aerosmith songs sales a huge boost. Since the 2011 season premiere, Steven Tyler being part of American Idol jury seems to bring back Aerosmith songs popularity. 70s and 80s songs like I don't want to miss a thing and Dream on are now hitting Billboard's top list. While nobody expected this before, Steven Tyler probably had this in mind when he signed for the Fox TV channel's reality show. If some people thought that the 10th season would suffer from the absence of Simon Cowell, Steven Tyler's presence seems to matter so much that American Idol doesn't lack him anymore. So far, Steven Tyler has been a pretty striking presence on Idol, said Rushfield. He's a wild character, and he's pretty much pushed Simon Cowell out of people's minds in just two weeks. Only a few episodes were enough to bring back Aerosmith songs popularity in the USA, which sales has dramatically increased just after the show aired on Fox TV. As he had never watched the show before, it seems almost clear that Tyler was on to something: getting involved with American Idol would bring back Aerosmith's popularity to its highest in almost a decade. Aerosmith songs I don't want to miss a thing (1998) and two versions of Dream on (1973) now rank respectively #22, #77 and #115 on Apple's iTunes chart. In addition, according to Billboard, Steven Tyler's off-the-cuff duet with Lauren Alaina of I Don't Want to Miss a Thing, that aired on Jan. 27th, followed by the original music video, led this song to enter Billboard's Digital Songs Chart at #54. The ballad that had reigned #1 for four weeks in 1998 sold 34,000 downloads in a week between Jan. 24th and 30th, a 363% increase. 2011 02.01 New Aerosmith songs are to come in 2011!

Category: Aerosmith News / Tag: Aerosmith / Add Comment Aerosmith will release a new album in 2011. They have already begun jamming sessions for new songs. Not long ago, despite rumors of turbulences in the band, Joey Kramer (Aerosmith's drummer), revealed that the band intended to release an old school album in 2011. The latest Aerosmith's studio album, Honkin' on Bobo had been released in 2004. It has been followed by several years of unrest, with rumors of a potential split. While a recent article in the New York Post claimed that because of Steven Tyler's commitment to be a judge on American Idol contest, the band couldn't be able to work, Dina LaPolta, Tyler's attorney replied by stating this fact: four of a band's members, including Steven Tyler (lead singer), Brad Whitford (guitarist) and Tom Hamilton (Bassist) are currently involved in jamming sessions in Marti Frederiksen's studios in Los Angeles. Producer Marti Frederiksen have been a long time studio collaborator for Aerosmith. Only Joe Perry (guitarist) is missing because of indefinite involvements, and there is still no information about when he will be joining the four others, though he is planning on rejoining them soon. According to Frederiksen, in an interview with billboard.com, the jamming sessions are taking place in great conditions; with lots of work, inspiration and fun. Fans will be craving for a tour supporting this new album, as Aerosmith's shows are known to be simply amazing. This new album is to be released this year, and it will as long as member can keep it together!
