

M53I - Mulching mover 53 cm

 Clic on

Characteristics

Engine : Briggs Intek Edge 60 OHV

Engine capacity : 189 cm³

Power : 6 ch

Maximum operating speed : 3000 r.p.m.

Fuel tank capacity : 1,5 l

Noise level : 98 dB

Handlebar vibration level : 4.0 m/s²

Architecture

Weight : 43 kg

Front wheel diameter : 200 mm

Rear wheel diameter : 215 mm

Wheels with roller bearings : yes

Housing material : Aluminium alloy

Supplied with grassbox : No

Front wheel rims steel

Cutting width : 53 cm

Performances

Very large surface : over 1500 sqm

Maximum mowing capacity : 2380 sqm/h

Flat or slope < 20°

Equipment

3-speed gearbox

Minimum operating speed : 2,7 km/h

Maximum operating speed : 4,5 km/h

Cutting height adjustment system : Centralised continuous none positions

Cutting height adjustment : 25-88 mm

Product advantages

Powerfull drive system

Robust materials (housing, engine, wheels, etc...).

With tall grass, possibility of conventional mowing with rear ejection by removing cover.

Allows you to mow continuously as there is no grassbox to empty or waste to deal with.

Positioning

Very efficient semi-professionnal mulching mower for impeccable results.

Use : Semi-professional

Accessories

Blade : MZ53

Fuel preservative ZY739

Spark plug B16600

Guarantee

3 years (+ 2-year extension) in private use, 1 year in professional use.

Guarantee of the chassis : 10 years
