

Features and Benefits PFAFF® expression™ 3.0

“Realize your potential”

- **The original IDT™!** Integrated Dual Feed only from PFAFF® for 40 years! Absolutely even fabric feed from both the top and bottom. PFAFF® IDT™ is ideal for the quilter and sewer! IDT™ works with any stitch in forward or reverse at any stitch length or width. The original IDT™ from PFAFF® is built right onto the machine. It can be easily engaged or disengaged as needed. Many PFAFF® accessories and presser feet can be used with IDT™ to ensure even seams with any stitch on any fabric.
- 
- The image shows a PFAFF expression 3.0 sewing machine, which is white with a blue and silver control panel. It features a large LCD screen and several buttons for stitch selection. The machine is shown from a front-three-quarter view, highlighting its compact design and professional features.
- **Large sewing space.** The sewing area to the right of the needle is super-sized for sewing large projects.
 - **A wide variety of beautiful 9 mm stitches.** Select from over 150 stitches. Includes utility stitches, buttonholes, 9 mm wide decorative stitches, quilt stitches, cross stitches and hemstitches.
 - **German innovative design.** Built to make sewing easy and to achieve the professional results that sewers want. The PFAFF® expression 2.0™ with its innovative features, durability and ease of operation will do it all for you.
 - **Dual lights.** Optimized bright lights illuminate your entire sewing area without shadows.
 - **Illuminated graphic display.** The graphic display shows the stitch in actual size and all important information.
 - **Free-motion position.** Simply set the presser foot in the PFAFF® exclusive free-motion position for easy quilting and beautiful free-motion embroidery.
 - **External feed dog drop.** Convenient location to lower the feed dogs from the front of the machine. Ideal for stippling, free-motion embroidery or darning.
 - **Extra presser foot lift.** Raises the presser foot to its highest position so that thick fabrics can be placed easily under the presser foot.
 - **Stitch width safety.** Limits stitch width to center needle straight stitch while using straight stitch needle plate and/or straight stitch foot to prevent needle breakage.
 - **Stitch positioning.** Moves complete stitch right or left to align decorative stitches.
 - **Easy-access stitch selection.** Quick and easy stitch selections using the Direct Selection Buttons.

- **Automatic Tie-off.** Ties off automatically at the beginning and/or the end of a seam for a quick and easy finish.
- **Stitch sequencing and memories.** Combine and save up to 40 stitches and/or letters in one of 10 sequence memories - sew in one step repeatedly.
- **Personal stitch settings.** Change the settings on built-in stitches to your personal liking. Save in one of the 10 personal stitch memories.
- **Program sequencing commands.** Program Stop, Thread Snips or Tie-off into a stitch sequence. Your sequence does exactly what you want every time.
- **Built-in sewing alphabets.** Personalize any project.
- **Needle up/down.** Touch a button to set your needle to automatically stop up or down in the fabric for pivoting, appliqué and more. Or just tap the foot control to shift between needle up/down position.
- **Tapering on all 9 mm decorative stitches!** Gradually increase or decrease the width at the beginning and/or at the end. Choose different angles for more creative opportunities.
- **Twin needle program.** Automatically adjusts the stitch width to prevent needle breakage.
- **Speed ranges.** Adjust your sewing speed for specialty threads, techniques or personal taste.
- **Stitch restart.** Instantly returns to the beginning of your selected stitch or sequence.
- **Mirror image.** Flip the stitch side to side to end for even more creative possibilities.
- **Languages.** Choose from 14 different languages in the Settings menu.
- **Info Button.** Simply touch to see important sewing recommendations on the illuminated graphic display.
- **37 needle positions.** Variable needle positions for precise stitching. Perfect for topstitching, quilting, zippers and more.
- **Integrated Needle Threader.** Makes threading the needle fast and easy.
- **Large stitch plate.** Markings to the left and right of the needle help you guide your fabric.
- **Snap-on/Snap-off presser feet.** Changing is easy - no screws or other tools are needed - just snap it on or off.
- **Top loaded bobbin.**
- **Bobbin winding from the needle.** No need to rethread to wind bobbins when you wind directly from the needle. Winding stops automatically when your bobbin is full.
- **Permanent Reverse.** Your hands are free to guide your fabric.

- **Sensormatic buttonhole.** Makes beautiful repeatable buttonholes on any fabric.
- **Electronic Needle Piercing power.** Full piercing power at any speed with total control.
- **Button Ruler.** Quickly determine your buttonhole size with the help of the button ruler.
- **Two built-in spool pins.** For twin needle sewing or specialty sewing.
- **Accessory Feet included** – 0A Standard foot with IDT™, 1A Fancy stitch foot with IDT™, 2A Fancy stitch foot, 3 Blindhem foot with IDT™, 4 Zipper foot with IDT™, 5A Sensormatic buttonhole foot, 5M Manual buttonhole foot, Free-motion/Darning foot, 7 Rolled hem foot with IDT™
