

# 2009 KFX<sup>®</sup>450R

## SPORT ATV

**Kawasaki**  
Let the good times roll.™

- The high-performance digital fuel injection with 42mm throttle body delivers instantaneous throttle response and crisp acceleration under the widest range of riding conditions.
- With a handy reverse gear plus a close-ratio, smooth shifting manual five-speed transmission, the KFX450R is easy to turn around on tight trails or get out of first turn pile ups on the track.
- The highly rigid, all-aluminum frame was developed with racing in mind. The frame's compact size, light weight and high strength let racers attack the roughest tracks with ease and control.

- The potent Kawasaki KX-inspired 449cc, liquid-cooled, 4-stroke DOHC engine develops competition-eating power thanks to its race-bred high-lift cams, and titanium intake and exhaust valves.

GUTS AND GLORY. The rush of blasting past the competition on your 2009 KFX® 450R. It's not just racy—it's a genuine race replica that's ready to win right out of the crate. Fire up the starter and feel the fuel injected 4-stroke engine come to life, then tap the 5-speed close-ratio transmission into low. With its lightweight all-aluminum chassis and racetrack-quality suspension, the KFX450R will go as big as you want. Now tag the throttle and feel the KFX450R rocket you into the lead and onto the podium. The KFX450R is race-shop tuned, and race-track ready.
