

BT204 Sweex Bluetooth 2.0 Class II Micro Adapter USB

- Do not expose the Bluetooth 2.0 Class II Micro Adapter USB to extreme temperatures. Do not place the device in direct sun light or close to heating elements.
- Do not use the Bluetooth 2.0 Class II Micro Adapter USB in extremely dusty or moist environments.
- Prevent hard shocks or impacts of the device, as this can cause damage to the internal electronics.
- Never try to open the device yourself, this voids the warranty.

Installation

No drivers are needed to use the Bluetooth adapter. If you want to use the advanced functions you will have to install the supplied software. To install the software, place the Sweex CD-ROM in the CD-ROM player of your computer. The CD-ROM will start automatically. Choose "Software".

Follow all steps to fully run the installation of the software. After the installation, connect the Bluetooth 2.0 Class II Micro Adapter USB to your computer.

To start the software you can use the shortcut on your desktop.

Or via Start Programs IVT BlueSoleil BlueSoleil

Connecting to the Bluetooth device.

1. Press the orange sun in the window to search for nearby Bluetooth devices.
2. Select your device, right click it, and choose "Pair Device".
3. Enter a 4-digit code to secure the connection. It can be 0000. Press "OK" and enter the same code in your Bluetooth device.

4. A red check mark appears at the connected device. Right click again and choose "Refresh Services".

5. The available services for this Bluetooth device are marked with yellow.

6. When you press the “Bluetooth File Transfer Service” a window appears where you can exchange files with your Bluetooth device.

Warranty

Thank you for purchasing this Sweex product. Sweex devotes ample attention and care to the quality, reliability, functionality, durability and user friendliness of all its products. In this way Sweex distinguishes itself in the market and can we convince you as a buyer to continue purchasing products of the Sweex brand. We wish you a lot of pleasure with your purchase.

An important extra advantage for you is the possibility of product registration.

After the registration of your product Sweex offers you a number of important yet equally useful advantages. The biggest advantage is that by means of the online registration on www.sweex.com/12years warranty the warranty on the product is extended by a 10-year manufacturer's warranty (see the applicable conditions on this website). This in addition to the statutory 2-year warranty which is already available for the product. In total the warranty period will therefore amount to 12 years.

There are also other advantages:

For example, if you wish so, you are regularly informed by us of the latest developments in our assortment by means of a digital newsletter.

Where applicable, you also automatically receive the latest drivers and/or firmware from us for the product you purchased to preserve or improve the compatibility and the performance.

Moreover, our support desk can assist you faster in case of possible support questions about the product if you registered the product.

Sweex warranty conditions.

2-year standard warranty within the EU

- In a standard manner a warranty period of 2 years as from the purchase date is available for this Sweex product within the EU.
- Should you wish to invoke this warranty within the first 2 years after the purchase then you can directly apply to the point of sale where you purchased the product for the conditions and procedures.

10-year manufacturer's warranty

- However, in addition to the statutory 2-year standard warranty Sweex offers you an extended quality warranty of no less than 10 years, if you purchased your product within the EU.
- For more information, conditions and the registration form go to www.sweex.com/12years warranty and register within 30 days after the purchase of your product for the extended warranty period of in total 12 years.

Matters that are excluded from the warranty

- The warranty of Sweex only covers manufacturing defects. Excluded from the warranty are accessories like batteries, rechargeable batteries and also supplied software, where applicable.
- The liability of Sweex is limited to the costs of repair and/or replacement of the product covered by the warranty.
- Both warranty types (the 2-year standard warranty and the 10-year extended manufacturer's warranty) are null and void if the product has been opened, changes have been made, physical damage was caused to the product and if the product is used for another purpose than for which it is originally meant.
