PEUGEOT - The name you can trust

*Peugeot's build
quality and peace
of mind at an
affordable
price*

Not for the first time, Peugeot have succeeded in raising the bar in another important scooter class; the budget buy. Enter V-Clic. A total reappraisal of all that's expected from an entry level scooter. During development, Peugeot set about ticking all the important boxes, and then some! Cutting edge technology. Check. Simple twist-and-go ride. Check. 100 years of design experience. Check. Peugeot reliability and support. Check. Finally, the ultimate test: does V-Clic prove to be of high enough quality to display the time-honoured, hard earned Peugeot lion? Yes. With dignity.
